A permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All permits require final inspection.

A certificate of occupancy must be issued before any building is occupied.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.

COUNTYWIDE INSPECTION SERVICES

Permit Submittal

All completed permit documents shall be submitted to City Hall. Processing time is 7 to 10 days.

Permit Issuance

Once the permit has been approved, the requestor will be contacted by City Hall personnel and notified of fees.

Plan Review

Countywide Inspection Services will be conducting residential and commercial plan reviews. The applicant will be contacted by Countywide if additional information is needed. You may contact City Hall for the status of your permit at 940-365-5833.

Inspection Requests

Please contact Countywide Inspection Services to request inspection(s). Any of our permit technicians can assist you. Inspections shall be requested 24 hours in advance. Those inspections requested during normal business hours, will be performed the next business day.

Inspection line: 940-521-0470
Email: countyinspections@gmail.com

Field Inspections

Your inspectors' names are Mike Doughty (940-284-5677) and Manny Villarreal (817-353-930).

We look forward to working with you to ensure that the community is provided with a safe and durable built environment.

Commercial Permit Submittal Requirements

CONSTRUCTION DOCUMENT SUBMITTALS: Three (3) copies of the completed set of construction documents are required for plan review. Construction documents must be submitted along with completed permit application form.

- An additional set of plans will be required for fire sprinklered buildings
- An additional set of plans will be required for projects which require a health review

Note: Drawings containing a label such as "not for construction" or "for pricing only" will not be accepted for permit application.

PROFESSIONAL LICENSE: Each drawing and document shall be sealed, signed, dated and designed by a State of Texas Registered Architect, Registered Engineer, Registered Interior Designer, where applicable as required by the State of Texas Engineering and Architect Practice Act.

REQUIRED DRAWINGS AND DOCUMENTS: (City Building Inspection Department may request additional information if necessary).

Drawings must be drawn to scale, dimensioned and of sufficient clarity.

1. Site plan ^(a)
2. Floor plans and roof plans
3. Exterior elevation
4. Door schedules, window schedules, hardware schedules
5. Construction details; interior elevations and interior finish schedules

Building Requirements

This document is not meant to modify any Federal or State laws or City Ordinances. It is intended to be informative and to be used as a guideline. Where circumstances of a particular job differ from these procedures, the decision of the Building Department will prevail.

Building Codes

All Federal, State and local requirements are applicable to projects constructed within the City's jurisdiction whether specifically listed herein or not. The City of Krugerville, Texas, has adopted the following codes and/or standards regulating building construction.

City of Krugerville, Texas Comprehensive Zoning Ordinance
City of Krugerville, Texas Subdivision Standards
North Texas Council of Governments Construction and Design Standards
International Building Code, 2003 Edition
International One- & Two- Family Dwelling Code, 2000 Edition
International Fire Code, 2003 Edition
International Plumbing Code, 2003 Edition
International Mechanical Code, 2003 Edition
International Energy Conservation Code, 2000 Edition
National Electrical Code, 2005 Edition
Title 5 of the Texas Health & Safety Code, Chapters 341 & 366
Title 30 of the Texas Administrative Code, Chapter 285
and all referenced standards contained within these codes.

Building Permit

Before a building permit will be approved, all plans and documents related to the permit application must be approved by the Building Department, the Fire Inspector, the Flood Plain Administrator, and the City Engineer. OSSF system plans and documents must be approved by the City Designated Representative.

All Contactors performing work within the City of Krugerville's jurisdiction must be registered with the City and provide proof of commercial general liability insurance for claims of property damage or bodily injury in the amount of \$300,000 for all claims arising in any one-year period.

No building permit will be issued until the On-Site Sewage Facility (OSSF) permit application has been approved for a permit and the fee of \$400 has been paid to the City.

No building permit will be issued until the Culvert permit application has been approved and the fee of \$500 has been paid to the City.

Inspections

Inspections received by 5:00 p.m. Monday – Friday will be performed the next business day.

Building Inspections – Inspections related to building construction must be called into Bureau Veritas at ~~(817) 335-8111~~. ~~Inspection requests can also be faxed to (817) 335-8110.~~ See next page for Countywide Inspection Services

Fire Inspections – Inspections such as Fire Suppression System Underground Risers, Fire Suppression System Hydrostatic Tests, Fire Lanes, Fire Alarms, Commercial Fire Final, and any other fire related inspections must be requested through the City Secretary's Office at (940) 365-5833, Monday – Friday between 8:00 a.m. and 4:30 p.m.

OSSF – Inspections of the On-Site Sewage Facility will be conducted by the City's Designated Representative. All requests must be submitted to the City Secretary's Office at (940) 365-5833, Monday – Friday between 8:00 a.m. and 4:30 p.m. Inspections will be performed within 3 working days after receiving request.

Construction Site

The property address must be posted at the front of the lot and readable from the street.

A portable sanitary restroom for your workers MUST be on your property until the final inspections are approved.

Trash receptacle constructed to prevent construction trash from blowing or scattering out and from the jobsite/property shall be maintained until job completion.

Construction material, debris, or sanitary restroom facility shall be placed or stored in the public right-of-way or drainage areas at any time.
