Regular City Council meetings are on the 4th Thursdays of the month at 6:00 pm.

From the City Secretary's Desk

Election Update

The three (3) council members that were up for re-election were unopposed. Therefore, the election was canceled. However, after many faithful years of volunteer service to the City, Councilman Thurman Bridges decided to retire from Place 1 of the Council. Mr. Rodney Cagle filed for candidacy for Place 1 and will be seated on May 12, 2021.

On behalf of the Mayor, Council, Staff, and residents, thank you Councilman Bridges for the many years you have served the City. Your dedication, commitment, and leadership are appreciated by all.

Code Enforcement

The City has retained Officer Leo Bonanno to handle our Code Enforcement needs. Officer Bonanno brings a vast amount of expertise to our City, and we are happy to have him on board. His vehicle is equipped with magnetic signs for easy identification. If you have Code concerns, please e-mail them directly to codeenforcement@krugerville.org.

Krugerville Park Fest

Park Fest has been scheduled for Saturday, June 26. There will be live music, games for the kids, food trucks, and vendor booths. Watch for more information on the City of Krugerville and the Krugerville Community Development Corporation Facebook pages.

Just a reminder that all golf carts must be registered at City Hall. Other types of ATVs, mules, razors, 4-wheelers, etc., will not be registered.

Be Aware!!

The speed limit on all residential streets has been reduced to 25 mph.

Park Fun!

Looking for an activity with your young children? Need to get them on their feet? Take a stroll down the walking path at Fairview Park, and read a book together!

We are making a few improvements to Woodland Park. The fountain and lights have been installed on the pond and a floating dock should arrive by the end of the week.

Farmers Market begins at noon on Sunday, April 11th, at Woodland Park and will continue every 2nd and 4th Sunday through October from 12:00 pm – 4:00 pm. Vendors need to pick up applications at City Hall.

Trash Billing Facts

Did you know?

- Four late charges equal almost one paid quarter of trash service?
- We currently offer auto draft for your quarterly trash payments? If you would like to participate, print the form on our website or come into City Hall to fill it out. Your account will be drafted during the first week of each quarter.
- We have put in place the capability to pay your bills online? You can visit our website at www.Krugerville.org to sign up!
- By signing up for e-mail billing, you save your City postage every quarter.

Bulk Trash

Our next bulk trash pickup will be **April 17, 2021**. Please have your items curbside no later than 7:00 am. The last two dates for 2021 are **July 17th**, and **October 16th**.
