Fellow Citizens of Krugerville,

March 2008

- Bulk trash day is April 26, 2008 make sure to have your trash out before 10:30am to ensure pick up. Also, don't forget about the recycle dumpster behind the police department.
- The council approved having a Senior Pot Luck at City Hall. We're still working on details so keep an eye open for more information on time and date
- The three positions on the council up for re-election were unopposed. Therefore, the council voted to cancel the city election for the city and not spend money unnecessarily. However, don't forget to vote in other local elections. Your vote is important.
- The council is still working to develop a hazardous waste pickup. I will update as we get more information.
- I realize drainage is still a concern. We have many areas already under assessment and in the works. Please do not hesitate to contact the city if you have concerns or Councilman Bridges as he is responsible for drainage.
- I have mentioned it before but please remember to designate Krugerville with the 76227 zip code. The 76227 zip code is common for many areas; to avoid confusion please contact any senders who do not correctly show your address as Krugerville.

Remember, you can always contact me on my email address of Robert@krugerville.org

Warmest Regards,
Robert Cleversy
Mayor of Krugerville
