

On behalf of the Krugerville Community Development Corporation (4B) we are thrilled to inform you that the City of Krugerville was awarded a \$75,000 matching grant by the Texas Parks and Wildlife for our first City Park with the assistance of MHS Planning of Tyler, Texas.

We would like to give many thanks to our City Administrator, Susan Bradley, Our Mayor Pro Tem Charles Brumley, and the other members of our City Council Dave Hill, Denton McDonald, Mike Starr, and Thurman Bridges. In addition thank you to our Denton County Commissioner Hugh Coleman. Each provided their support and assistance during the application submission process.

We would also like to extend our thanks to Mayor Erich Ransleben for his expertise in drawing our park plan as well as the many private business's who have pledged donations towards our first City Park.

Most importantly, none of this would have been possible without the support of the residents of Krugerville.

Last but not least, we thank you for reporting to the public our desire to improve the quality of life for our residents affording exercise, recreation, and community building as well as looking ahead to the future and keeping in mind present and future business's that will promote economic development which in turn will help support the Park and future projects which will enhance the quality of life in our city.

Sincerely, Audrey Shipley President, Sheva McDonald Vice President, Kymm Johnson, Secretary/Treasurer, Directors, Thurman Bridges, Fidel Turrubiarte, and Rayla Williams.
