

Welcome!

We are excited and pleased that you have chosen Krugerville to be your new home. Krugerville is a rapidly growing rural community nestled in North Central Texas amidst rolling hills and horse farms. The City is family oriented and we are pleased to welcome all who settle here. Because of the excellent Aubrey School District, many young professionals are choosing to leave the hustle and bustle of Dallas and other rapidly expanding areas to live here.

We, all of us at City Hall and in city government, are that proud you have chosen Krugerville as your new home. If there is anything we can do to make your transition easier or more pleasant please let us know.
